took this video without her knowledge or consent. states that she immediately deleted his message and blocked him from her phone. states she went to the Rooster and met him on todays date and asked him for his keys and to delete the video. states that he did neither of these things. states that she tried to take G. Griders keys away due to him being intoxicated but was unsuccessful. states that she was able to take G. Griders phone with the intent of giving it to Law Enforcement as evidence. states that G. Grider would not give herf the password for the phone. states that G. Grider threatened her life and told her that he has ties to the Mafia. States that she followed G. Grider to the area of his residence to ensure he did not crash and then drove straight to the St Johns County Sheriffs Office to report the crimes. states that while she was meeting with me that G. Grider posted the video four times on her facebook and stated that he put it online and made it viral.

Sgt. Andy Stionoff viewed the video and confirmed that the victim was the person in the video. Sgt. A. Stionoff stated that it appeared was unaware that the video was being made during the act.

While taking statement she learned that G. Grider was at Donovan's resturaunt at Palencia. provided a detailed written affidavit and she was given a case card.

I drove to Donavan's resturaunt and observed G. Grider sitting outside of the front on the concrete tables. I made contact and identified myself. G. Grider spontaneously uttered " All I want is my phone back". I attempted to tell G. Grider not to speak anymore until I could advise him of his Miranda Rights but he talked over me and stated "I'm sorry about her but I want my phone back". I stopped G. Grider from talking and advised him of his Miranda Rights at 2143 hrs. Post Miranda G. Grider agreed to provide me with a written statement about his contacts with G. Grider states on his affidavit only that he wants his phone back.

It should be noted that I did not discuss direct accuzations against him. I advised G. Grider that he was being investigated for possible charges of Sexual Cyberharassment and Video Voyeurism. I further told G. Grider not to contact in any way or he could possibly be charged with witness tampering. G. Grider acknowledged these statements.

Detective Jennifer Burres with Special Victims Unit was contacted and made aware of this case.

G. Griders phone was submitted into evidence.

I met with in the front parking lot of the Sheriff's Office where she informed me about an issue she was having with told me that Geoffrey had been threatening to show and post a video of her performing oral sex on him. stated at no time has she ever given Geoffrey permission to video tape her and feels as if he is trying to blackmail her for unknown reasons. stated she met up with Geoffrey tonight prior to coming to the Sheriff's Office, at the Rooster Bar off of Phillips Highway, because he called her and told her he needed a ride. stated she decided to go up to the bar in the hopes that Geoffrey would voluntarily delete the video. Instead a verbal argument ensued and stated that Geoffrey began to threaten her again with posting the video and then threatened her with bodily harm. stated she took his phone in the hopes that he would not be able to post the video and decided she would give it to the Sheriff's Office to see if we could assist her.

I reviewed the video clip Geoffrey posted to her private messenger on Face book, which was 12 seconds in duration. The video shows performing oral sex on Geoffrey while he is holding a camera at his head level. is seen performing the sex act and does not appear to know she is being video taped from what I could determine. I relayed the information to Deputy Michaux, who will be handling the report.

No further action taken by this deputy.

On 8/6/2018 at approximately 0800 hours,

I was assigned this case for investigative follow up. I read and reviewed the case. I made contact with who advised she could meet with me at the Sheriff's Office the following day.

On 8/7/2016 at approximately 1230 hours,

Geoffrey requested to meet with at the Rooster stating "come rescue me." Geoffrey continued to say I need you multiple times. met with him at approximately 1846 hours when she sent the message "Where are you." Between 1846 and the next message at 1943, took Geoffrey's phone after she found out he did not delete the video and they both left the Rooster. At 1943 hours, Geoffrey sent a message to that he was going to post the video and sends the video of engaging in oral sex with Geoffrey to over the private messenger. Geoffrey proceeds to send the video three more times to stating he was posting it everywhere. tells Geoffrey she provided the cell phone to law enforcement as evidence. agreed to conduct a controlled phone call to Geoffrey through Facebook messenger. first messaged Geoffrey asking if he could talk. Geoffrey said yes and then the controlled phone call was conducted. This phone call was audio recorded. The full recording was turned in as evidence. The following is a summary of that phone call.

Geoffrey answered the call. stated she did not know where to start and Geoffrey asked if he could start. Geoffrey stated for the way "that" happened, he apologized and did not mean to make feel like a victim. asked why he would take a video and why he thought she would want him to take a video. Geoffrey stated it was "such a beautiful thing" but he never should have taken it and definitely should not have sent it to said he knew should never have taken it and he knew she would not have allowed him to take the video. Geoffrey responded "yes. Yes, yes, and I'm 100% wrong for taking it, I had no right to take it." Geoffrey denied having any other videos or putting that video on the internet. Geoffrey stated he deleted the copy that was on his computer. asked if Geoffrey had videos of other people on the phone. Geoffrey stated there might be one. On 8/9/2018 at approximately 0800 hours,

I received a call from Geoffrey from phone number 904-806-9534 on 8/8/2018. I called Geoffrey back on the above date. Geoffrey asked where his cell phone was located and I informed him that it was in the St. Johns County Evidence Section. I requested Geoffrey come to the Sheriff's Office to speak with me. Geoffrey stated he would need to check his schedule and he would call me when he knew the time he could meet. I did not receive a call from Geoffrey for the rest of the day.

On 8/10/2018 at approximately 0930 hours,

I attempted to call Geoffrey back but received no answer. I left a voice message telling Geoffrey to call me back to set a time we could meet. The following week, I received a call from Geoffrey's attorney in relation to this case. I was advised that he would speak with Geoffrey about providing an official statement.

On 8/28/2018 at approximately 1300 hours,

I did not receive a call back from Geoffrey's attorney. I researched Florida Statute with assistance from the State Attorney's Office in reference to this case. I found no Florida Statutes that fit the actions taken by
